

Abimbola “Abi”, LPN

Abi was born in Nigeria. Nick name growing up “Americana.” Pretty sure there must be a story there!

Married for 18 years, three (3) kids...all daughters eleven (11), fifteen (15), and seventeen (17). Asked if she has any pets? Nope, I don’t like animals.

Abi chose her profession because she has compassion and loves caring for people especially seniors.

Abi has been with GLL for four (4) years. She enjoys working at GLL as it is close to home and she says we have good staff and management!

What’s your favourite part of your job? All things nursing, I love. My least favourite part of the day is when I have to leave!

80’s music all the way for this lady! Her favourite food is rice!

Not a sports fan but she loves Paris! Who wouldn’t?
