

EMPLOYEE SPOTLIGHT

NATHAN LO- REHAB AIDE

Nathan was born in Scarborough, Ontario.

Nathan started with Golden Links Lodge 1 year ago in a temporary maternity leave position. Nathan is a Kinesiology graduate from the University of Manitoba.

Nathan chose to work at Golden links as a stepping stone towards becoming either a physiotherapist or an occupational therapist. He wanted to gain some experience to help him in his decision of what field he would like to pursue. Golden Links was a completely new demographic to which Nathan wanted to learn more about and he is loving it! He loves the interactions with the resident but does not like the paperwork.

Nathan's favorite food is Steak. When Nathan is not at work he spends his time listening to Music- Jazz being his favorite- or you will see him out playing Frisbee with his friends (when we are not in a pandemic)

If Nathan had a dream vacation it would be to Austria to see where they filmed the sound of music- one of the many films Nathan enjoys watching.
