

## GLL EMPLOYEE SPOTLIGHT

### HEATHER BARKER

### LEAD HOUSEKEEPER

Reliable, dependable, accountable and trustworthy...we must be talking about this amazing lady! Heather has been working at GLL for 18 +++ years! Just call her "H." Heather is our Lead Housekeeper, she's the person with her finger on the pulse of what's getting cleaned in our facility. Why has she been here so long? Simple, she loves the residents! Heather prides herself on doing a great job! Only downside of the job, you just can't get everything done all the time! Classic rock is her forte and a great Jet's game! If she isn't at work, her favourite place to be is Puerto Vallarta, Mexico enjoying a margarita, hot sun and relaxing! Her weakness is any flavour of ice-cream!
