

Good evening,

In Winnipeg, there are three (3) new Covid 19 cases to report for Saturday April 18, 2020, bringing the total in Manitoba to two hundred fifty three (253).

We have no residents on precautions or isolation.

Quiet day today at the lodge. It was cool today...where is this nice weather? We know the warm weather is coming but I think when you are in isolation and not doing normal activities it seems to take so much longer! Some of our residents are little restless so we need the warm weather to come so we can get some much needed vitamin D.

Yesterday at the end of the day we had a family member drop off some flowers for his mom. It was honestly such a beautiful moment. She so desperately wanted to touch her son, give him a hug but she couldn't. Her eyes filled with tears and I was gently trying to guide her away from the door explaining that she can't go out right now to see her son... she blew a kiss and he promised a phone call! I walked away went into my office and cried. Its those moments that are so hard to watch for us as staff. I can only imagine how hard as family it is for you. I pray that soon this will end and you can all be with your family again.

If you have any questions, comments or concerns please feel free to contact me or Alison at 204-257-9947.

We hope that you are all keeping well, practicing social distancing and staying close to home. We thank you for your continued support, positive comments and prayers~
