

Good evening,

In Winnipeg, there are no new Covid 19 cases to report for Sunday April 19, 2020, total in Manitoba remains at two hundred fifty three (253).

We have been extremely fortunate to not have a lot of cases in Manitoba. It's great news for our province and all Manitobans. We must continue with social distancing and adhering to the guidelines that have been put forth.

We have no residents on precautions or isolation.

Relatively quiet day at the lodge. We had some window visits from family. We are very thankful for the continued donations of iPads for our Recreation Program. The more iPads that we have the easier it is for us to arrange facetime calls. Also, more iPads mean that other staff can assist with facetime calls to family with residents.

We are entering our 6th week of lock down...thirty-six (36) days. I'm sure for all of you it feels like a lifetime.

This week, my communication to all of you will include a daily spot light on staff! One staff per day, everyday of the week and a pic so you know who's who! I thought it might be a great way for you all to get an idea of the great employees that are employed at GLL...stay tuned!

We hope that you are all keeping well, practicing social distancing and staying close to home. We thank you for your continued support, positive comments and prayers~
