

Good evening,

Who ordered the snow??? Good grief...spring needs to sprung!!!

In Winnipeg, there is one (1) new Covid 19 case to report for Monday April 19, 2020, bringing the total in Manitoba to two hundred fifty four (254).

We have no residents on precautions or isolation.

We have received a couple more iPads as donations to our Recreation Program. We are incredibly thankful as this will assist the facetime calls to families.

Today is our first day for "GLL Employee Spotlight" find attached. We have also posted our spotlight (with employee permission) to Facebook, Instagram and our website. Thank you to our first employee for paving the way! Watch for more to come! This is a wonderful way for everyone to get to know each other!

Recreation was busy today on the 1<sup>st</sup> and 2<sup>nd</sup> floor. This morning residents participated in "Sit & Be Fit." Cathy did some reading with residents. This afternoon residents participated in "Name That Tune!"

As always, family visits continued with a few this morning and some throughout the lunch hour too!

If you have any questions, comments or concerns please feel free to contact me or Alison at 204-257-9947.

We hope that you are all keeping well, practicing social distancing and staying close to home. We thank you for your continued support, positive comments and prayers~
