

Good evening,

In Winnipeg, there were four (4) new Covid 19 cases to report for Saturday April 25, 2020, bringing the total in Manitoba to two hundred sixty seven (267).

We currently have one resident on isolation.

Quieter day at the lodge today. For those not in Winnipeg...it rained for a good part of the day! Makes window visits a little tougher.

If you are having a difficult time arranging time to speak with your loved one please let me know. We have received donations of phones and iPads and created a charging station and sign out process for staff. Our Business Office staff will also start participating in the facetime and phone calls with family and residents. Recreation has created a calendar where all calls are scheduled so hopefully those that want calls and facetime will receive.

Thank you to all those that have donated hand made masks and button straps for masks. Thank you to the families that have made signs and visited our lodge encouraging our staff to carry on. Thank you to the families that have baked and brought thoughtful treats to our staff. Thank you for the donations of money to purchase coffee/tea and lunches. Thank you to all that respond to my emails with supportive, loving words! I want you to know that those messages get to the staff via the binder that remains in the front lobby seating area. Thank you to the families that have provided contacts for hand sanitizer!

Before too long it will be warm and sunny and we will start filling our planters and flower beds! For those that enjoy working outdoors we are happy to take your donations of time to help with planting and donations of annuals for our planters. For those interested please respond directly to me and I can share more details on what exactly we need as well as when we are planning to do our planting.

If you have any questions, comments or concerns please feel free to contact me or Alison at 204-257-9947.

We hope that you are all keeping well, practicing social distancing and staying close to home. We thank you for your continued support, positive comments and prayers~
