

Good evening,

In Winnipeg, there were no new Covid 19 cases to report for Tuesday April 28, 2020, total in Manitoba remains at two hundred seventy two (272).

We currently have two residents in isolation.

Today the residents enjoyed on-line band music with Cathy and Mike was busy with video chats with family and residents.

We are asking that if you would like to arrange video chats you do so through Cathy and/or Mike at [cathy.ngo@goldenlinks.mb.ca](mailto:cathy.ngo@goldenlinks.mb.ca) or [michael.bergen@goldenlinks.mb.ca](mailto:michael.bergen@goldenlinks.mb.ca) It is too difficult to arrange these video chats thru our Facebook account.

It's pretty busy around the lodge right now with the upcoming changes effective May 1, 2020. Through this change we are losing some longstanding employees as the higher FTE they hold is with another PCH. We are also gaining some employees as their higher FTE rests with GLL. It goes without saying that staff are little taken off guard. A lot has transpired in twenty four (24) hours. This change is in effect May 1, 2020, and in place for a minimum of six (6) months with the potential to be extended. What we are trying to achieve is continuity for our residents and staff and the security of knowing that staff are with one employer.

Employee spotlight can be found on Facebook and Instagram as well I have attached.

If you have any questions, comments or concerns please feel free to contact me or Alison at 204-257-9947.

We hope that you are all keeping well, practicing social distancing and staying close to home. We thank you for your continued support, positive comments and prayers~
