

## Wesene – Health Care Aide

This dedicated HCA, Wesene, “Sarah”, originates from Addis, Ethiopia, and came to Winnipeg in 2007.

Married for 8 years she has a young son 4 ½ years old.

Why did she choose this profession? I see my parents in our residents every day. Wesene has a true passion and love for our residents.

Wesene ended up at GLL following her practicum, she followed fellow students that also came to the lodge to work. She never looked back and really enjoys working here.

Helping residents comes easy for Wesene, doing good things for them daily is important to her.

Wesene loves the food of her culture, spicy! In her down time Wesene finds peace in reading and listening to gospel music.
