

Good evening,

In Winnipeg, there were one (1) new Covid 19 cases to report for Wednesday April 24, 2020, bringing the total in Manitoba to two hundred sixty three (263).

One resident on isolation.

In Recreation today Mike did window visits with residents, facetime calls. Be sure to check out our Facebook and Instagram for pics!

Employee spotlight can be found on Facebook and Instagram as well I have attached.

We are looking for some donations of Baby dolls – preferably all plastic so they can be sanitized so that residents can carry, dress and care for. We have an increased number of residents who are finding great comfort in this and we do not have enough babies to go around !

If you have any questions, comments or concerns please feel free to contact me or Alison at 204-257-9947.

We hope that you are all keeping well, practicing social distancing and staying close to home. We thank you for your continued support, positive comments and prayers~
