

Good afternoon,

What an awesome surprise for staff on evening and day shift. Many family members came to share signs expressing love and appreciation. On behalf of all GLL staff thank you! Lots of pics were taken so please be sure to check out our Facebook and Instagram pages as well as our website. Staff were so happy to be thanked in person by family members! Lots of tears! To all that organized, thank you very much for taking time out of your day to recognize our staff! It means more than you can imagine!

I have to apologize...at the family surprise today when I saw one of the family members, I reached out and hugged her! For those that saw, I'm fully aware of the social distancing as I preach about every single day. It was honestly just a natural reaction. I realized the moment I did it and felt so bad. We were both wearing masks and I had protective eye wear on. I did reach out to the family member and extend my apologies. It was emotional seeing everyone...

In Winnipeg, there were two new Covid 19 cases to report for Thursday April 30, 2020, total in Manitoba remains at two hundred seventy three (275).

Recreation celebrated April birthdays today! It was a little windy, but a few residents were able to get outside. Lots of window visits today and video chats. Alex (housekeeping) played music and sang for our residents too! You can find pics from today's celebrations on Facebook and Instagram.

Employee spotlight can be found on Facebook and Instagram as well I have attached.

If you have any questions, comments or concerns please feel free to contact me or Alison at 204-257-9947.

Thank you again for all the support! Also...reminder to me...continue social distancing!
