

Good afternoon,

We have one (1) resident in isolation today (not Covid 19 related).

In Winnipeg, there were no new Covid 19 cases to report for Thursday May 21, 2020, the total in Manitoba remains at two hundred ninety (290).

For those that are following us on Instagram and Facebook you have seen the many photo posts of our residents, family members and facility. We continued on with our window art and have added some beautiful art work to the dining room windows. Family have been stopping by picking the Mother's Day photo and flowers and whenever possible we have been snapping pics. Our staff and Recreation Department are trying to get our residents outside as much as possible so they can enjoy the beautiful sunshine and warmth.

Our sponsor, Access Storage, sponsored a staff lunch yesterday from Pizza Hotline. Access Storage also paid for the installation of window art in the dining room and provided all the flowers for our staff and families.

Father's Day is right around the corner and we have already begun our plans! Stay tuned...

Hope you are all enjoying the beautiful weather that we are finally getting!
