

Good Evening,

We have two (2) residents in isolation today.

In Winnipeg, there was one (1) new Covid 19 case to report for Sunday May 3, 2020, total in Manitoba remains at two hundred eighty one (281).

There were a few window visits with family and residents as well as phone chats.

This weekend was our first weekend following the staffing changes and I'm happy to say we've not had any sick calls. This week we will be undergoing significant changes to rotations and hours. These changes will have a very big impact on the majority of our staff. Stay tuned...

Looks like we have a beautiful warm week ahead of us. We will be able to let our residents enjoy the weather.
