

Good afternoon,

We have one (1) resident in isolation today.

In Winnipeg, there were no new Covid 19 cases to report for Monday May 4, 2020, the total in Manitoba remains at two hundred eighty one (281).

Recreation assisted residents with calls and facetime to family. Cathy played Jeopardy with a few residents. This morning Cathy read "Chicken Soup for the Soul Gardening."

We spent the day working on staffing schedules and rotations, we hope to have schedules completed by Wednesday with letters given to staff on Wednesday. This first round of implementation directly impacts all Health Care Aides. Implementation date is Sunday May 10, 2020. We will share more in the coming days.

Employee spotlight can be found on Facebook and Instagram as well I have attached.
