

Good evening,

We have one (1) resident in isolation today (not Covid 19 related).

In Winnipeg, there were no new Covid 19 cases to report for Saturday May 9, 2020, the total in Manitoba is two hundred eighty four (284).

Lot's of activity at the lodge today with family window visits. Mike from Recreation spent his day assisting residents with video/phone chats. Unfortunately it was a really cold wind today, not ideal for residents to sit in the pergola area.

The province continues to slowly lift the closures for many stores and restaurants. It's still very important to maintain social distancing, even though the city is slowly trying to find a new normal.

If you have any questions, comments or concerns please feel free to contact me or Alison at 204-257-9947.
