

Good afternoon,

We have one (1) resident in isolation today (not Covid 19 related).

In Winnipeg, there were no new Covid 19 cases to report for Wednesday May 13, 2020, the total in Manitoba is two hundred ninety (290).

Window visits and were difficult today with the unpleasant weather. Some residents did participate in phone and video chats.

Many families have reached out asking when will we lift the visitation restrictions and/or can we offer some type of visit outside? We want nothing more than to have family visit with your loved ones as we know that emotional connection is key to their health and wellbeing. As soon as we can offer some type of visit you will all be the first to know!

Some of you have stopped in and picked up your mom/grandma's picture and gift! For those that haven't been able to pick up your picture and are unable to please contact our business office so we can mail it out to you!

We will carry on with our staff spotlight next week, we've been a bit busy with our Mother's Day festivities!

If you have any questions, comments or concerns please feel free to contact me or Alison at 204-257-9947.
