

Good afternoon,

We have one (1) resident in isolation today (not Covid 19 related).

In Winnipeg, there were no new Covid 19 cases to report for Friday May 16, 2020, the total in Manitoba is two hundred ninety (290).

What a beautiful day in Winnipeg today! Sky was so blue, sun shining all day...finally feels like summer has arrived! Our residents enjoyed some time outside today, lots of window visits and video chats.

We are happy that families have been picking up their Mother's Day gifts. Remember if you are unable to pick up the Mother's Day photo in a frame please let our business office know so we can mail out to you.

Many of you have reached out to me inquiring on whether or not we will be arranging outdoor visits with your loved ones. We have also had some asking to be able to come into our facility. We know that everyone is very anxious and this has been a long haul for everyone. I promise you will all be the first to know as soon as we anything changes on visitation.

Weatherman says we have a warm week ahead of us which means our resident's will definitely be getting outside!

Hope you are all enjoying your long weekend. If you have any questions, comments or concerns please feel free to contact me or Alison at 204-257-9947.
