

Good afternoon,

We have one (1) resident in isolation today (not Covid 19 related).

Today marks day six (6) of no new Covid 19 cases to report for Monday May 18, 2020, the total in Manitoba is two hundred ninety (290). Really great news for Winnipeg, let's pray that this continues with no new cases.

It was another beautiful day...summer is definitely here! But...still not planting anything because this is Winnipeg and we could still get some cooler weather.

It was a pretty quiet day at the lodge. As always there were some video chats and window visits. We will be ready soon to roll out our online video/talk chat booking system, we are aiming for May 25 for a go-live date.

We are getting our flower beds ready for planting. Our plan is to spend a day planting everything. If you have agreed to volunteer to help you will hear from us for more details on date and time. We thank all those that have offered time to help.

If you have any questions, comments or concerns please feel free to contact me or Alison at 204-257-9947.
