

Good afternoon,

We have one (1) resident in isolation today (not Covid 19 related).

The total in Manitoba is two hundred ninety (290). Really great news for Winnipeg, let's pray that this continues with no new cases. There are no new cases to report for today Wednesday May 20, 2020.

Busy day with residents today! We had reading group in the morning. Residents participated in a sit and stretch this morning. This afternoon some residents participated in bingo and some residents went outside to play bocce ball and relax in the sun. There were also several window visits and video chats.

If you have any questions, comments or concerns please feel free to contact me or Alison at 204-257-9947.
