

Good evening,

We have one (1) resident in isolation today (not Covid 19 related).

In Winnipeg there are no new Covid 19 cases to report for Sunday May 24, 2020, the total in Manitoba remains at two hundred ninety two (292).

Wow...what a difference a day makes for weather in Winnipeg. They do say, never plant your flowers until after Father's Day. It's actually a pretty cool today. It was a quiet day today at the lodge. Some phone chats with families a few window visits but no group outside time for residents today.

If you have any questions, comments or concerns please feel free to contact me or Alison at 204-257-9947.
