

Good evening,

We have one resident in isolation today (not related to Covid).

In Winnipeg there are no new Covid 19 cases to report for Tuesday May 26, 2020, the total in Manitoba remains at two hundred ninety two (292).

In Recreation today Cathy and Mike both facilitated window visits and video calls. In the afternoon Cathy did music therapy 1:1 with residents. Mike brought around word search to a few residents to play.

Our online phone/video chat booking system is now up and operational. Effective today May 26, 2020, you will be required to book your phone/video chat online. If you visit our website www.goldenlinks.mb.ca and select the tab for "Services" then select "Recreational Services" this brings you to a page where you will see pics of Mike and Cathy and just below their photos is the calendars. You can fill in your personal information, choose your date and time and submit. The office will provide you with a confirmation of your booking once confirmed.

We are trying to recruit more staffing resources to accommodate the amount of phone calls that we are facilitating. This is extremely challenging, please be patient with us as we navigate through this.

Our outdoor visitation is nearly completely booked for our first week, thank you to all that have submitted applications. Again, this is another process that we are trying to secure extra staffing resources.

If you have any questions, comments or concerns please feel free to contact me or Alison at 204-257-9947.

Please visit the website below for updates:
