

Good afternoon,

There are no residents in isolation.

In Winnipeg there are no new Covid 19 cases to report for Friday May 29, 2020, the total in Manitoba is two hundred ninety four (294).

Full day of calls today, with many family window visits. Be sure to check out Facebook and Instagram for pics.

We are just about ready for our "Outdoor Visits" for next week. We posted some pics for you to check out! We planted some flowers and of course...Mother Nature says -1 tonight!!! Hopefully the weatherman is wrong! We still need help to clean up our gardens and plant perennials etc. We will be sending messages out to our volunteers this week to set up dates and times.

If you have any questions, comments or concerns please feel free to contact me or Alison at 204-257-9947.
