

Good afternoon,

There are no residents in isolation.

In Winnipeg there are two (2) new Covid 19 cases to report for Thursday May 28, 2020, the total in Manitoba is two hundred ninety four (294).

It was quite chilly today so no outside time for residents. There were several window visits and many video/phone chats.

Our website is nearly complete with all updates and should be fully functional by tomorrow. We had a few more updates required than initially thought.

If you have any questions, comments or concerns please feel free to contact me or Alison at 204-257-9947.

Please visit the website below for updates:
