

Good evening,

There are no residents in isolation.

In Winnipeg from June 1 – 5, 2020, there were five new Covid 19 cases, the total in Manitoba for Friday June 5, 2020, is three hundred (300).

It has been a full week at the lodge. We started our outdoor visits on Tuesday June 2, 2020. It was absolutely wonderful to see how excited residents were. The moment they new their family had arrived it was hard to keep some residents from busting through the doors to greet their loved ones! It was emotional...for residents that don't understand what is happening and are confused it was so hard for family to try connect everyone did the best they could. But everyone worked really hard to honour the 6' social distancing and at the no touching rule.

We have filled one (1) of the two Covid Support Visitor position that we are hiring. We hoped to have the other position filled this week. These two indefinite positions will support outdoor visits and phone/video calls.

If you have been following on Facebook and Instagram you will see we had our first barbecue of the summer! Residents that were able to participate in the barbecue thoroughly enjoyed themselves! Weather was perfect and food was tasty! This week residents also participated in reading, one-one time, name that tune, exercise, bingo, Timbits & Talk (tea/coffee/timbits) and word games. Cathy set up an area in the friendship room with some books, magazines, Sudoku, puzzles and crosswords for residents to enjoy anytime.
