

Good afternoon,

There are no residents in isolation.

In Winnipeg there are no new Covid 19 cases to report for Wednesday June 11, 2020, the total in Manitoba is three hundred (300). This is truly wonderful news for all Manitobans. Don't change what you are doing! Keep up with the social distancing and keep doing everything else that you are doing to keep safe and healthy.

We had a full day of outdoor visits and video chats. Our two summer students hired to support video/phone calls and outdoor visits are getting orientated to the processes. We really appreciate everyone's patience with all of this.

Recreation was busy today residents participated in Arm Chair Travel, Basketball and Sit and Be Fit. Cathy and Mike also managed to squeeze in some 1:1 as well.

Thank you again to everyone that has reached out with all your kind words about how much you love and appreciate our staff and our facility and all the hard work everyone is putting in. It has been a tough week, but we have been through much harder times than this and came out just fine!

We are working on some plans with our sponsor that include some appreciation for our staff and residents as well as participation from the Winnipeg Blue Bombers. We are choosing to be positive and continue doing the great work providing optimal resident care for all your loved ones. That is what is most important and where we will put our energy. There is far too much negative in this world right now and too easy to get dragged down the negative worm hole. We know what our truth is and that is all that matters.

For the new families, and the families that have expressed to me your dissatisfaction or feelings that we were not honest and you are very uneasy about what CBC shared. We can't go back and we can't change anything. But, we can show you by our actions that we care and we will absolutely prove to you that your loved ones are in the best place in Manitoba receiving the best care. We look forward to building a trusting relationship with you all.

If you have any questions, comments or concerns please feel free to contact me or Alison at 204-257-9947.
